## The Time to be at One's Best Home Coming Time!

Surely a season for everybody to put his "best foot forward"—whether he be the host or the welcome guest. And what could be more appropriate than a suit or overcoat of the famous Adler-Rochester or Shuman make.

We're fitting out men now from our Adler-Rochester and Shuman stock who are going among wealthy people of fashion. Yet none of these latter—no matter how high a price they pay for their clothes—can command finer than

## Adler-Rochester and Shuman Clothes

A true American product these—and the product of the finest tailoring institutions in the world.

No Fifth Avenue, New York, tailor employs abler skill than that of the Adler-Rochester and Shuman plants, whose working conditions are without equal anywhere.

Adler-Rochester and Shuman materials, too, are famed for their beauty of pattern and shade—certain colorings and designs often being exclusive with these makes.

Yet, with their many superiorities, Adler-Rochesters or Shuman's are sold at prices no higher than so called good clothes.

Our Adler-Rochester and Shuman stock is now on display awaiting your early inspection.

Suits and Overcoats, \$18.00 to \$30.00

Other Makes, - \$ 7.50 to \$16.50

Lamson & Hubbard and Stetson Hats. Cluett and Hathaway Shirts. Munsing Union Suits. Trunks, Bags and Suit Cases for your outing. Fur and Fur Lined Coats.

The Corset Cover contains cloth for the whole garment with insertion and ribbons to finish in any desired size.

## It Pays to Buy a Good Overcoat!

One good Overcoat will give you good service for about three years, and if it is one of our **Rosman Overcoats**, it will still have shape and style when you are through with it. It is an extravagance to buy cheap, shoddy woelens. They do not last. We do not mean that you must pay a big price, but you should pay enough to get a dependable garment.

Let us suggest a **Rosman Overcoat** at \$15.00 to \$18.00. If you want a still better one, we have it for you, and at any price you decide upon.

We will guarantee the cloth, the fit, and the workmanship, and return your money or exchange the garment.

If you are in doubt, we are going to recommend one of our good \$15.00 garments; for we know that it will give you \$20.00 worth of wear and satisfaction.
